FFSC Signed Membership Contract 2018- 19

I have read all of the above rules and policies, understand them, and agree to abide by them. I understand that I am expected to work two (2) shifts (shifts are approximately 6-7 hours) at Mid-America and additional events in the 2018-2019 season. These hours would be included in the required 40 service hour policy. I further understand that non-compliance with any policy can lead to the loss of Club privileges and the forfeiture of the $100.00 deposit.

Service hour policy does not apply to initiation membership. (first year members)
